INT. PAWN SHOP - DAY

A dingy, cluttered mess. Stacks of objects creep up behind the counter, some spilling over.

MAYA, 30s, jittery but sporting under eye bags, shifts her weight between her feet as the SHOP OWNER, late 50s, examines an engagement ring.

SHOP OWNER  
This part of a set?

Maya looks down at her ring finger. Runs her hand across her wedding band and plucks it off. Sets it on the counter.

MAYA  
Yeah.

SHOP OWNER  
\$300.

MAYA  
\$600.

SHOP OWNER  
No.

Shop Owner slides the pair across the counter.

MAYA  
\$450.

She slides them back.

SHOP OWNER  
\$400.

Maya grinds her teeth. Looks at him real hard.

MAYA  
Okay.

Cash register slides open. He counts out bills.

INT. HOUSE - NIGHT

The makings of a crack den. Rundown and dark.

Maya counts out bills into the hand of ALEC, mid-20s and rough around the edges.

ALEC  
Only \$300?
